VOTE AS YOU THINK ...BUT THINK BEFORE YOU VOTE

"Vote for me" -- four men have spent the past month asking this of you. Which one was the most successful will be decided May 23rd, in the provincial election.

The candidates for the St. Albert constituency are Dr. Norman Dolman, New Democratic Party; Keith Everitt, Social Credit; Robert Russell, Liberal and Stan Walker, Progressive Conservative.

No one can tell you how to vote -- in a democracy this is a choice which only you can make.

Before you cast your vote ask yourself: How can St. Albert be best represented?

Your representative must also speak for you on Provincial affairs.

Poorly informed indifferent voters harm the cause of good government

Government plays an increasingly large role in your life and spends a large part of your earnings.

For most people the ballot is the only way to share in government.

So think about it - think hard about how to vote.

Vote as you think - but THINK before you Vote.

by Hennie Stibbe

The St. Albert and District Chamber of Commerce sponsored an election rally in the Community Hall, Tuesday evening. Some 250 persons attended the meeting which was chaired by Mr. Bill Penrose. All four candidates attended the rally, each was given 15 minutes in which to present his program.

Conservative Candidate Mr. Stan Walker was first to speak. Mr. Walker said his party would make available more scholarships. "Money spent on Education is an investment in the future", he said. Mr. Walker favors the setting up of a Parks and Recreation Commission. He also feels the Election Act needs to be reviewed. He suggests Election Day should be a set date as is the case in the U.S. "I don't like the idea of an election being called in 39 days," he said. Two more points in the Conservative Programme: a committee to look into the Welfare System and the retaining of a green belt between Edmonton and St. Albert.

Second speaker for the evening was Keith Everitt, Social Credit M.L.A. for St. Albert. "We in Alberta do not have a perfect government," Mr. Everitt said, "as long as it is run by mankind there will always be room for improvement." Mr. Everitt said th St. Albert Constituency i "one of the most difficult" to represent in the Legisla ture, because it is "one hal rural, and one half urban with each half having its ow problems". Mr. Everitt cite the following as an exampl of Government assistance t the Constituency: Both schoo boards have received an in crease in grants of $200,000 each over the previous yea Municipal assistance has bee increased by 8%. Centennia grants amounting to over $17,000. have been received The construction of the ne highway, underpass and th lighting of the highway. Elim ination of long distance to for telephone calls int Edmonton. Mr. Everitt pro ceeded to show several chart and while he admits tha Alberta has the third larges municipal debt in Canada, h compares the Province wit our neighbour to the Eas "In Saskatchewan you can see where the old CCF le off and the Liberals took ove the trend is still the same.

Dr. Norman Dolman, ND Candidate, was the ne speaker. Dr. Dolman said M.L.A., if he is going t represent his Constituenc properly, must have courag "It takes a fair amount courage for a profession man, a small businessma like myself, to run for th N.D.P." he said. Dr. Dolma commented on the numerou signs on display around Tow with only the name Russe on them. "No party is men tioned," he said, "is h ashamed of his Party?" D Dolman said the Liberals hav provided no opposition in th Legislature. "Thirty-tw years is long enough, it time for something new. Th something new is N.D.P." He charges that the presen Welfare system is dedicate to "free hand outs, rathe than doing something con structive." The N.D.P. is form of Social Democracy, is not the same as CCF, Dr Dolman said.

Final speaker was Mr. Rob ert Russell. "Something wa missing from the Socred Can didate's talk" he said "wher is the program for the nex 4 years?" Mr. Russell see a need for a "responsibl opposition." "It is not the jo of the opposition to rush i during a question period i the Legislature and start fir ing innuendo across the floor he said, going on to speak i detail on the accomplishment of Liberal Leader Mike Macc agno. The Liberal Party i opposed to the present ass essment, Mr. Russell sai "It gets more complicate each year." Mr. Russel suggests the Town's problem are a "creation of the Pro vincial Government." H

Mayor's Column

During the last session of the Alberta Legislature, the Honourable Gordon Taylor, Minister of Highways, introduced legislation which set up a Street Assistance Program for Alberta's Towns and Villages. One million dollars a year will be set aside for the next five years in this fund to assist the Towns and Villages in Alberta for programs covering grading, gravelling, construction of bridges, construction of storm sewers which are related directly to street drainage, sidewalks, suitable dust treatment for streets, and suitable paving and base cores for streets including applicable engineering. General maintenance and street lighting will not be acceptable under this programme.

A letter received from Mr. Gordon Taylor, Minister of Highways, dated May 2nd, 1967 advised us that the Town of St. Albert will receive a Grant of approximately $125,000.00. This Grant will be available only once during the five year tenure of this program and your Council are already considering two or three very important capital projects which can be undertaken with this Grant.

For a number of years the parents of children attending Sir Alexander Mackenzie School have been concerned about the lack of paving on that end of Sir Winston Churchill Avenue. This is one of the areas that your Council will be considering completing with this Grant. Another road which the Town ratepayers would be normally responsible for building on a General Benefit Debenture would be Mont Clare Avenue from St. Vital Avenue in the new hosp-

Pool and arena occupy council

POOL TOPS $103,754.

St. Albert Town Council at it's regular meeting Monday evening authorized the expenditure of $4,350. for gravelling the Grosvenor Park Swimming Pool parking lot and the construction of sidewalks to the Pool. Mr. A. Gate, Parks and Recreation Superintendent, advised that a serious dust problem exists at the Pool at present. It is hoped that the gravel and concrete work can be completed in time for pool opening, this Saturday thus alleviating the dust. The total cost of the Pool, not including the above mentioned $4,350. is $103,754. Vandalism at the Pool continues, with rocks being thrown in the water, and the removing of light bulbs from outside fixtures. Mr. Gate noted that to-date 144 family member ships have been sold. The rumor that season tickets are no longer available is completely untrue he added. Council passed a motion which allows for children accompanied by a parent or guardian to wear a non-inflatable attachable floating device, commonly called "the bubble".

JUST $3.30! !

Just $3.30 per household will buy a mini-bus to transport handicapped St. Albert youngsters to their special classes in Edmonton. The 14 or so children involved do not have adequate transportation available to them at present.

School beautification centennial project

The Leo Nickerson Home and School Association Centennial Committee received trustees' approval and appreciation for its Centennial Year Project to beautify the Leo Nickerson school grounds

The association has worked with the Town Parks Department and a long range of beautification has begun. Flower beds and a dozen varieties of trees and shrubs will be planted this year. The association is providing the money, labor, and time for this worthwhile project.

Chief reminds of fire prevention

"Clean up. .for Fire Prevention" reads a poster on the wall of St. Albert Fire Hall No. 1. Cleaning up one's property Fire Chief Fred Tetarenko told the Gazette, enables the homeowner to rid himself of a number of fire hazards.

"We could make our town the cleanest and fire safest in Alberta", Chief Tetarenko said.

Fire prevention is currently foremost in the chief's mind. "Ten fire calls so far this month and none of them had to happen, all but one caused by children playing with matches."

Commenting on fires in general he remarked "ninety-five per cent of them could have been avoided if proper precautions had been observed."

Children and matches produce a combination which results in the majority of fires. The chief stated "full co-operation should be asked of parents in seeing that children are properly instructed in the use of matches."

He cautioned that when left alone, children should not have access to matches. Flashlights, not candles, should be used by children when playing in dark areas of the home.

A great problem at this time of year is grass fires. With spring cleaning in progress, homeowners are burning refuse in their yards. Often these fires get out of hand and the grass fires result

Last weekend, the fire department was called to four grass fires. "This rash of grass fires is not necessary".

The fire chief suggested that before lighting rubbish, one should be armed with the tools needed to control the fire.

For larger fires, a person is required to obtain a fire permit, available at no charge from the fire hall during the office hours or directly from the chief evenings or on the weekend by phoning him at his home. His number is - 599-6815.

Before burning, the chief suggests that the home owner phone the fire department for information by dialing 599-7021. "The fire department is always ready to co-operate and we will give out information whenever citizens ask for it."

He issued a warning regarding the fire crackers. He reminds youths that no one under 16 may purchase them and that a town by-law forbids their use except on one's own property.

The chief closed his interview with the Gazette on a high point: "Fortunately, here in St. Albert no one has been injured by fire."

Contract approved for Simpson

W. J. Bennett Contractors Ltd. were the low bidders for the Sir George Simpson Junior High School Addition. Their bid of $652,845.00 is well below the $16.00 per square foot support by the Foundation Program Fund of the Government.

Mr. R. H. Harvey Chairman of the Board of Trustees of the Separate School District No. 6 announced the acceptance of Bennett Contractors tender at the Special Meeting held on Tuesday evening. He said "the price of $14.92 per square foot is well below recent prices of similar buildings and we are very pleased that our Architects - Aberdeen, Groves and Hodgson have designed a building that can receive support by the Department".

Completion is expected before December 31/1967.

Gala celebrations planned for Monday holiday

POOL OPENING: A really big show has been planned by the St. Albert Centennial Committee for Victoria Day, Monday, May 22. Festivities start at 10:00 a.m. when the Town's Grosvenor Park Swimming Pool will be officially opened by Mayor Richard Fowler.

CANOE EXPEDITION and RACES: At 1:00 p.m. the action moves to Lions Park, where several exciting events will take place. The highlight of the afternoon will be the arrival of the cross-Canada Expedition. This most colorful group is made up of 13 men, including red-bearded Adolf Ikert of Pouce, Coupe, B.C., and dog Duke, are travelling to Montreal in a birch-bark canoe. The men wll be wearing the costumes of the 1790's, and will be fully made-up.

A challenge has been issued from the St. Albert mayor and councillors to the mayors and councillors of the surrounding towns, for a canoe race on the Sturgeon.

The afternoon will also see locally organized canoe and kayak races, with a prize or trophy awarded in each event.

ENTERTAINMENT at the Lions Park will be by the "Prime Meridiams", a St. Albert band, which brought down the house at a talent show held here recently. Philomena and Harriet, two local folk singers will also perform

Food concessions will be operating throughout the afternoon.

A SUPPER sponsored by the Town of St. Albert will be held at 6:00 p.m. in the Community Hall. Any interested persons may purchase tickets by telephoning 599-6776. The price is $2.00 and tickets must be purchased by Thursday, May 18th.

MACKENZIE WHOOP-UP: At 8:30 p.m. a dance to end all dances will be held at the St. Albert Community Hall. Tickets are just $5.00 per couple. The price of admission includes "Suds 'n' Sandwiches", no one under 21 years of age will be admitted. Dress is "come as you are", music by "The Golden Altos". Tickets have been limited to 200 couples, so DON'T BE DISAPOINTED! Tickets are available at local merchants.

PLAN NOW TO ATTEND "ST. ALBERT MACKENZIE DAY", VICTORIA DAY, MONDAY, MAY 22nd.

John Fisher coming to St. Albert

St. Albert and District residents will have an opportunity to meet "Mister Canada", Centennial Commissioner John Fisher. Mr. Fisher will spend the evening of Wednesday, May 24 in St. Albert, as the guest of the Centennial Committee. An informal evening has been planned, with school choirs and a Girl Guide precision marching group taking part in the programme. All residents are corially invited to meet and chat with Mr. Fisher, Wednesday, May 24 at 8:00 p.m. in the Father Jan School Auditorium. Coffee will be served.

New rides! new acts! Fun for one and all! At Rodeo 106, June 17 and 18 in St. Albert. With West Coast Shows coming in for the event fair-goers will be able to enjoy themselves on over twenty rides. Photo by Kent Stevenson.

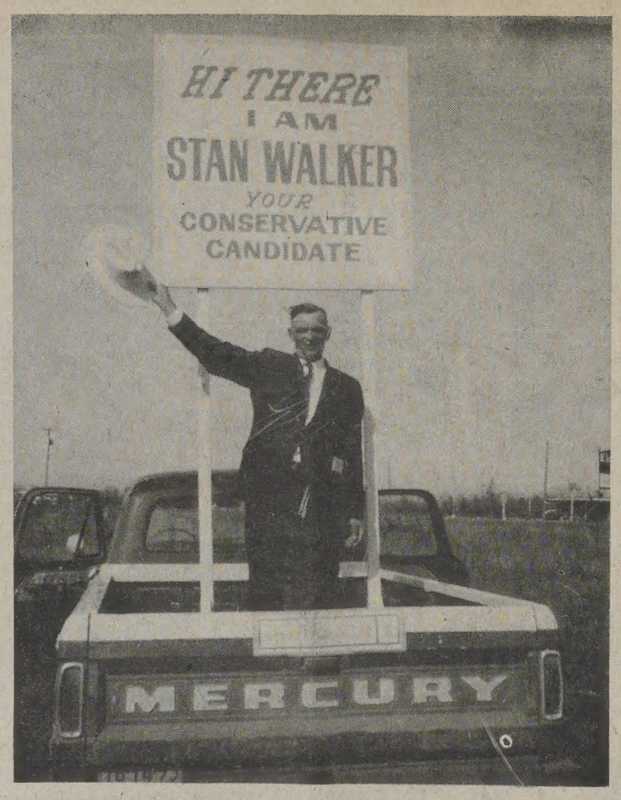
Saturday, Mayor R. S. Fowler issued a challenge to the Mayors of Morinville, Legal, Bon Accord and Westlock.

They are to take part in a canoe race against Mr. Fowler on Tuesday, May 22 as part of the celebrations surrounding the opening of the new swimming pool.

As we go to press no mayor has agreed to take part in the race which is to begin shortly after 1:00 p.m., in the Lion's Park.



By bus is not the only way to campaign, Conservative candidate Stan Walker shows the world as he carries on his campaign for the May 23 election from the back of a truck. The candidate is seen above as he greets motorists Tuesday morning on the highway south of St. Albert.

ital site in Mission Park. Mont Clare Avenue could also be extended into the new St. Albert High School site under this program.

I had the pleasure of attending the original meeting as a Town representative with the Minister of Highways at which time the Street Assistance Program was explained to us. All of those attending the meeting, including myself were particularly pleased that these Grants were being made available on an outright basis. By this I mean that it is not necessary for the Town to spend any amount of money whatsoever in order to obtain the Grants.

It is hoped that this outright Grant of $125,000.00 to the Town of St. Albert by the Provincial Government may cover more programs than the two outlined above, however, it would appear that Council are of the opinion that the road construction to Sir Alexander Mackenzie School and the new Hospital and the St. Albert High School site are of prime importance at this particular time. These are roads which would have to be built eventually in any case and regardless of the fact that some of the money may be a local improvement to the School Boards, we all realize that the School Boards, for local improvements have only one source of money, which is the Proprietary Electors supporting their district.

By doing this work immediately your Town Council expects to receive considerably more benefit from the monies available than if we put it off for one, two or three years and thus it is necessary that we forward our application to the Minister of Highways very, very soon. The net saving to the Town by virtue of this $125,000.00 Grant would be in the neighbourhood of $12,000.00 per year for 20 years and will provide excellent roads immediately to at least one area which has waited a considerable length of time as well as to another area which will be required in the immediate future.

POOL AND ARENA

They are being packed 10 at a time in a taxi-cab. Councillor Gibbon started the ball rolling when he presented Centennial Committee Chairman, Mayor R. Fowler with a cheque to be applied to the Bus Fund. Soon a canvasser will call on you, will you do YOUR part?

USE OF PARKLAND

A letter was received from a homeowner complaining of children and teenagers causing a nuisance in a ornamental park opposite his residence. The resident charges that damage is being caused to the small triangular park by children playing there. Councillor Donais who also lives in the area, took the time to check with the neighbours and found that out of ten contacted, only 1 agreed with the letter. Mr. Donais commented that the writer of the complaint "has no room to talk as he grows the dandiest crop of dandelions" and creates some what of a nuisance himself. Mr. Donais said that 4 houses in the neighborhood have a total of 27 children, and "they have to have some place to play". Council agreed that the park be posted with a "no active games" sign.

ARENA BYLAW

First reading was given to a by-law authorizing the borrowing of an additional $50,000 for the construction of a covered natural ice arena. The electors previously voted in favour of $75,000 for the arena.

COUNCIL BRIEFS

Council received an invitation to tour the Brazeau Dam as guests of Calgary Power. It was agreed to go in August.

If there seems to be an unusual rush at Bank opening in the morning, it is probably our Councillors, cashing their Court of Revision pay cheques. Cheques issued last week were made out in error at the newly instituted rate of $25. per session, instead of the previous rate of $15. The increase was not retroactive Councillor Bakker, official "conscience-watcher" asked that all Councillors return their cheques. . . .

noted that less than 2% of the annual budget is spent on agriculture. "Let's develop Alberta for Albertans," he said.

Each candidate was given a 5 minute period for rebuttal. First to speak was Dr. Dolman. He said the other three candidates all take some credit for helping to get a Hospital for St. Albert. "I had nothing to do with that," he said, "which may explain the fact that the Hospital basement has not been dug yet." Commenting on the Government White Paper: "That's just what it is . . . . white paper." Dr. Dolman who had been criticized by Mr. Russell for not mentioning the Leader of the N.D.P., explained "I did not mention my Leader because he is not running in this Constituency, he is running in Jasper-Edson."

Mr. Everitt was second to rebut. He said "I find it hard to criticize the Liberals, mainly because I have so many working for me." Mr. Everitt predicts that the Constituency "will suffer if the Liberal Candidate is elected" because he will not recognize other M.L.A.'s "Not once did he make representation to me," Mr. Everitt said.

Stan Walker charged Mr. Russell with stealing the Conservative Program, when he spoke on Property Taxes. "This is the first time I've heard him dwell on this," he said. Mr. Walker said the St. Albert Hospital should not be made a "political football."

Final section of the meeting was the "Chairman's Nightmare," or Question Period. A great many written and oral questions were presented from the floor, with about 15 written questions left unanswered when the meeting adjourned at 10:15 p.m.

Speaking on a Independent Attorney General for Alberta, the Candidates made these comments. Mr. Everitt: "We have the best Attorney General in the Dominion of Canada, barring none." Dr. Dolman: "We must have a skilled and properly qualified person in charge of that Department." Mr. Walker: "It is only good common sense that he (the Attorney General) should have a Law Degree." Mr. Russell: "That the Attorney General's was a judicial office, not a political one and therefore should be completely separate."

Mr. Russell did not explain the difference between the Liberals and the other parties when asked to do so. He was charged by Dr. Dolman with evading the answer to this question all through his campaign.

In reply to a question Mr. Everitt said No, he has not presented any Private Bills during his 8 years as M.L.A. and yes, he has voted against the Government on numerous occasions, such as on Daylight Saving Time.

Candidates Comments

Pipeline problems for farmer

by Keith Everitt.

his will be the last opp- nity the candidates have omment before the elec- . The oil company pipe- problem is of major con- to the farmer. Let me t out what we have done his regard:

Damages awarded by the t of Entry Arbitration may now be appealed to courts.

New sections are added rporating a procedure for eals by surface owners arding reclamation cert- ates.

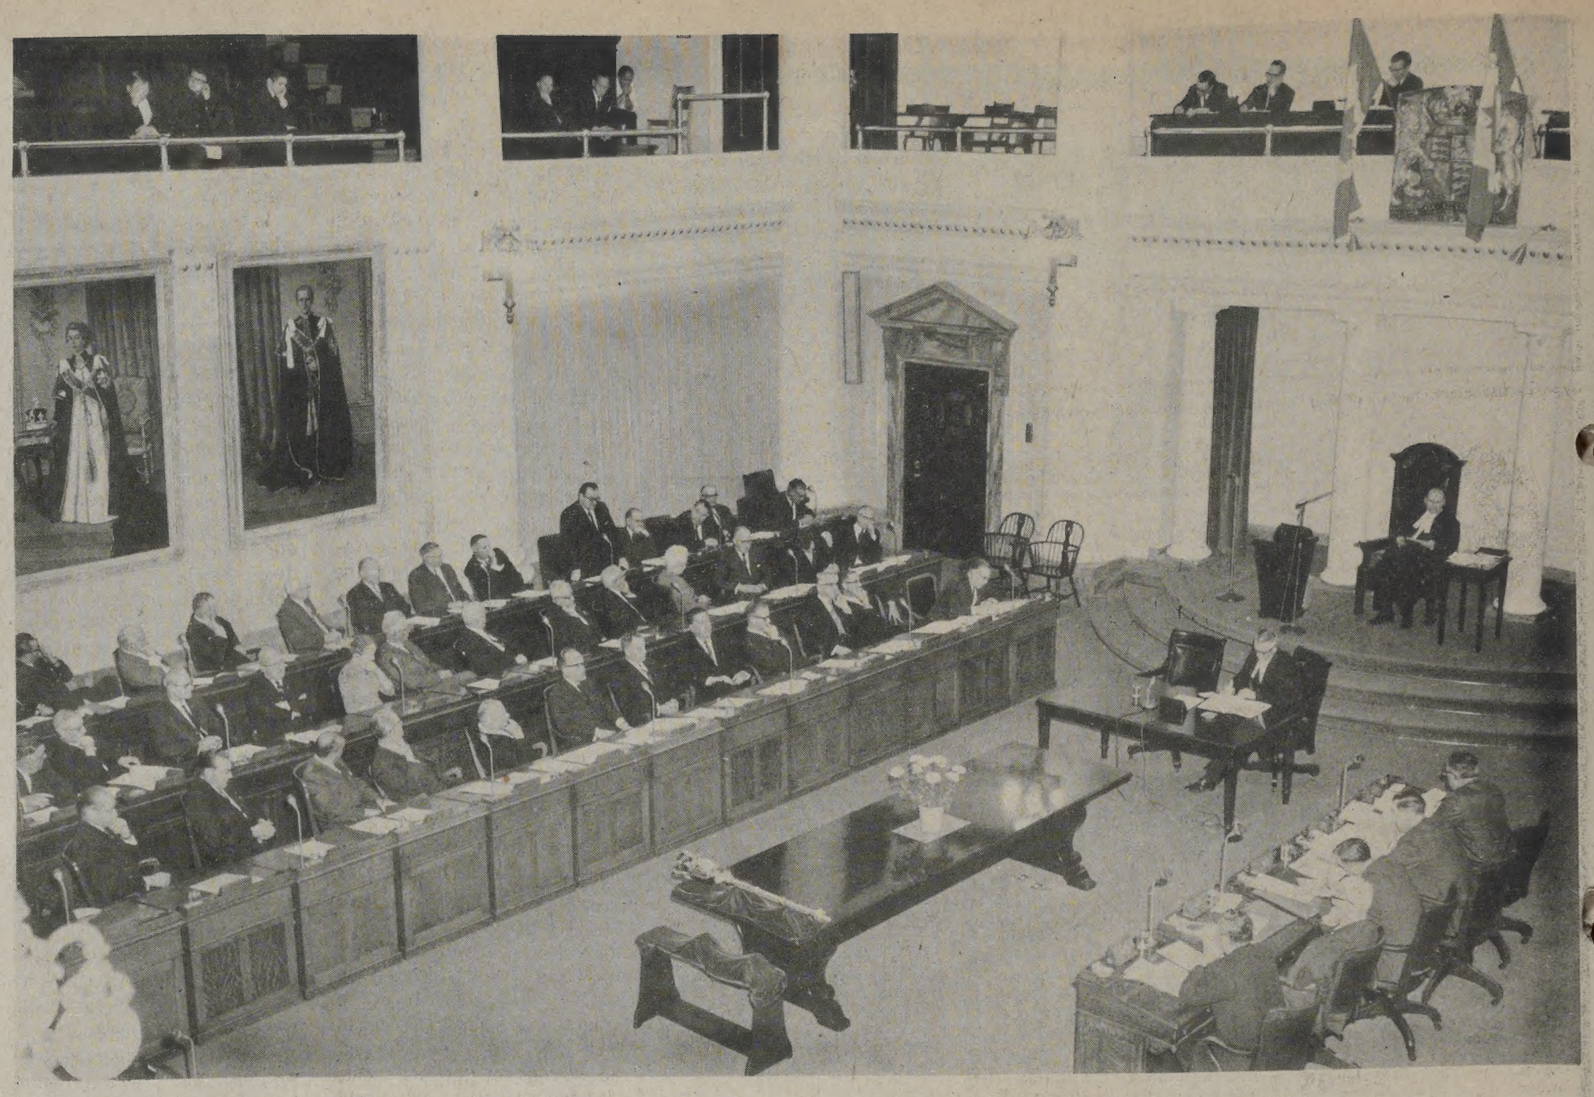
The Government will e an official from the De- ment of Agriculture to st the farmers in solving their problems concerning damages.

(4) A study is underway to determine the feasibility of including land purchasers under the Real Estate Licencing Act. In my opinion this is the most important legislation, however the solicitors for the Attorney General's Department tell us it will be rather complicated. Now that the session is over, I am only too willing to meet with any of the farmers to discuss their various problems with the oil companies.

The Honourable Gordon Taylor has just notified me that the Department will commence advertising for the upgrading and soil cement base for a distance of another 10 miles on Highway No. 2, north of Morinville. The advertising will commence on May 19 and tenders will be opened on June 5.

In reply to a number of inquiries, I can now give some information from the Department of Youth concerning recreation grants program. A five-year $4,000,000 program will begin April 1968 to provide greater recreational opportunities for all citizens of Alberta.

My closing remarks must be one of thanks. Thanks to those who have worked so hard on my behalf. It is impossible to mention names at this time. I cannot remember an election where so many friends, even though they have different party affiliation, have volunteered their assistance. From my family and myself many sincere thanks.



HOW WILL IT LOOK AFTER MAY 23? In the midst of a lively campaign which is capturing considerable public interest, everyone has his own idea as to how the Alberta Legislature will look after the election. One thing is certain there'll be some changes made. Photo shows government members facing camera and opposition seated in fore ground, with Speaker in high-backed chair at far right.

Mike has accom- ed a great deal for his tituency - government s, vocational schools, a incial park, town owned utilities - and he did all while he also carried the load of Leader of the Opposition.

Mike and I had coffee together this morning and we agreed that we must begin planning early for the next session of the Legislature so that we can bring in constructive resolutions to solve some basic problems in agriculture, education finance, and industrial development.

We want the many fine men and women who gave their time and talent to helping us develop our policy to continue their work by helping us prepare for this next session. Our policy for this campaign came from the people throughout the constituency and the response that it has received has been very enthusiastic. It is time more people had a say in government legislation.

I would like to thank the Gazette for giving the candidates the opportunity to report to the voters through these columns and to thank everyone who has worked so hard on my behalf.

any of them have risked jobs and businesses by ng me - it is indeed sad this can happen in this lerful province.

e battle has been clean - of the "smear" which Manning said the New ocrats would indulge in. e have presented positive s to the public and have our best to show them we can, through a New ocratic Government, a better and more free life to the people, and in particular regain for them what is rightly theirs - the inheritance of Alberta's vast natural resources.

Canada is now crossing the threshold into her 2nd century and the vehicles of government which brought us to this point are no longer adequate to carry us further. The world has changed - and the government must change too.

I sincerely ask for your vote next Tuesday, to help me, and others like me, to bring Alberta and Canada safely and gloriously into the future which is ours for the taking.

In closing I would like to thank the Editor and staff of the Gazette for the use of this column.

an age when children adults find themselves more and more leisure on their hands, the Con- tive Party is concerned that provisions be made to enable people to spend this time profitably, in the enjoyment of one of this province's finest endowments - the great outdoors, or in some other form of recreation made publicly available. As well, increasing tourist mobility demands that accomodations on an increased and improved scale be provided if Alberta is to receive her share of the tourist dollar.

Our readers HAVE THEIR SAY...

WHY I'LL VOTE FOR BOB RUSSELL

Dear Sir:

We have many problems in our area, such as proper East-West highways, Right of Entry, etc.

In the town of St. Albert we have a very unique problem. We are the only remaining Dormitory Town in Alberta. Sherwood Park is a Hamlet in an agricultural county and will probably remain so. There is no legislation relating to our unique position. I believe there is only one proper method of assistance and this is in the form of more dollars from the Provincial Government directed towards our two school boards, thereby lowering property tax.

The very nature of a Dormitory Town will not allow us to acquire enough Commerce and Industry to make any significant impact on the tax bill. Over 90% of our citizens work in Edmonton and Edmonton gains the tax dollars as a part of the fruits of their labor

The present government is either not aware of the problem or doesn't feel this type of help is justified. It is time our problems were heard and something concrete done about them.

I have met all the candidates personally and they are all excellent men with a great deal of civic pride and a sense of duty to our area.

After a great deal of thought I have come to the conclusion that Mr. Robert Russell is the only logical person to handle our district problems in the Legislative Assembly and make them heard. I beg your support of him on May 23rd.

R. M. Gibbon.

"WHY AN AVERAGE CITIZEN VOTES N.D.P."

Dear Sir:

I'm just an average citizen with an average education, home, family and income. And glad enough when pay day comes around. Like all other citizens of Alberta the time has nearly come for me to vote in an important election which will greatly influence our futures. Like all other citizens I've had to choose which party to vote for and I've chosen to vote New Democrat. Why? Quite obviously under the present government there are great inequalities of wealth with a large number of poor people and with costs rising the way they are there will be many more. The only way which we the average citizen can avoid becoming poorer will be to get help. The only party to come up with a firm answer to this is the N.D.P. They propose to bring the oil revenues of this province up to the same percentage level that exists in other countries. The New Democrats are really the only party that can do this since they do not rely for their funds on the big companies but rely on average citizens for their financial support. I'm quite sure that this means they are the only party whose motives are of the highest and whose integrity is never suspect. When you come to think of it Mr. Average Citizen really shouldn't hesitate when it comes to choosing which is his political party, should he?

"Mr. Average Citizen"

B. Laydon.

SOCREDS STOLE U OF ST. ALBERT FROM RUSSELL

Dear Sir:

In an advertisement in last week's Gazette the Socred candidate copied many objectives from the Liberal platform of Robert Russell.

I should like to make it clear that Councillor J. J. Bakker was the originator of the idea (supported by sound economic reasoning) of a University in St. Albert. He provided the research for the brief that was presented to the Government by the Town. During the many months that this brief has been "Under consideration" by the Government, the Socred candidate has shown himself on more than one occasion to be unaware of the few preliminary decisions that the Government did take on the issue of a second University in the Edmonton area.

A group composed of several professional people in St. Albert and area helped draft the Russell platform and provided him with the background for the many ideas in the Liberal program for St Albert.

Like a student who copies another's homework and then fails his examinations, the political candidate who copies platforms and ideas without knowing the basic facts underlying the issues, will not be able to defend them when put to the test in the legislature.

R. G. Wheatley

THE WRONG KIND OF "FREE ENTERPRISE"

Since the Republican senator for Wisconsin, Joseph R. McCarthy, discovered the devastating effect obtained by castigating his adversaries with the Communist label it has become the tradition of America's 19th century fundamentalists to anathematize in like manner every progressive inclination which might threaten the divine rights of established privilege.

It was to be expected that the Social Credit would bolster its meagre offerings with McCarthy-style attacks on the New Democrats - which they have; recently adding for greater effect, quotations from the esteemed Conservative statesman, Sir Winston Churchill. While one may be inclined to accept as infallible, Sir Winston's opinions on peace and war, brandy and fine cigars, his denunciations of socialism may best be relegated to their proper arena: political diatribe; especially so when it is recalled that in 1949 Churchill was engaged in a major political battle to keep his Conservative party from being over whelmed by the British Labour party.

As last week the St. Albert Social Credit candidate took time out from belaboring the New Democrats with the Communist club to welcome the Conservative aspirant to the fray against the enemies of free enterprise, how about another quotation, this time from a Canadian Conservative - Sir John A. Macdonald, who in Quebec City once said "we must protect the rights of the minority, and the rich are always fewer in number than the poor." Ergo - protect the rich! But have compassion for Sir John, he couldn't stand his political confreres unless he was stoned.

For a quick look at this free enterprise which the Socialiberatives must preserve at all costs, how about the grandaddy free enterpriser of them all, John D. Rockefeller, who in 1862 with a partner and $4,000, started Standard Oil; whose competitors in the 70's discovered his company involved in under the-table dealings; in 1882 was involved in a court action which found him in restraint of trade; and between 1906 and 1911 fought it out in the U.S. Supreme Court against the anti-trust laws. Again during the last war Standard Oil was partner with I.G. Farben of Germany. Although the present-vintage Rockefellers maintain a better public image Canadians have reason to doubt the sincerity of their reformation.

These free enterprisers sound awfully similar to the 50 Big Shots of the 30's which one political party was out to get so it could save humanity from their sinister manipulations. There was one capitalist of different ilk-Andrew Carnegie, the steel magnate, who maintained that all wealth in excess of personal needs should be distributed to the people as a whole. If all of Social Credit's free enterprise masters were of this kind there probably wouldn't be a New Democratic Party or any need for one.

HORIZONS LIMITED?

I received the latest Social Credit Booster by mail.

"Leading Province", "Prosperity for Everyone", "Alberta is busting all over" etc. etc. gives certainly the impression that we are living in a wealthy province.

With all the percentages mention in this pamphlet I like to add one they must have forgotten!

25% of the people in Alberta are living under a $2,500 income per year, which is less than $50. - per week!

Prosperity and Horizons are just "LIMITED" as it always is in a monopolistic society.

These 25% Albertans are not in the first place interested in the 1,335,000 barrels of oil daily, they just wonder where the profit is going to!

DR. DOLMAN BRINGS TEARS:

Dear Sir:

I couldn't help but marvel at the wonderfulness of Dr. Dolman's mind as he stood before a packed auditorium in Morinville May 10 and brought tears to the eyes of every person present as he told us how Mr. Robert Russell, Liberal candidate for St. Albert, tried to steal his "Thunder with the infamous opps, I mean famous, Mr. Laurier LaPierre when after all he was "Dr. Dolman's friend". I mean REALLY Bob, how could you?

Such a display of childishness on Dr. Dolman's part has absolutely no place in 20th century politics. A seven and one-half minute barrage of stones at ones honorable opponent would suggest to me that Dr. Dolman has not a concrete platform on which to stand.

And, Mr. Russell, you may rest assured you'll have my vote come May 23 even if Mr. Laurier LaPierre isn't "Your Best Friend".

Maureen Batty.

EVERITT RECOMMENDED

I would like through the auspices of your letters to The Editor Column make known my recommendation regarding a certain candidate for the pending provincial election.

During my several years of experience with the Town of St. Albert's affairs I always knew that our member of the Legislative Assembly could be relied upon when needed to come forward with understanding, advice and assistance. Of course when I write our member I mean Mr. Keith Everitt M.L.A.

Mr. Everitt in his quiet, diligent, straight forward manner is a man who will stand up and be counted. His interest is there, whether it be for the Town of St. Albert, the Municipal District of Sturgeon or that little fellow down the way, all by himself, who seems to be having a tough go of things. Mr. Everitt won't likely tell you about all the big things he'll do. He won't even likely tell you what he has done. But there are enough people who know what he is capable of doing. There are many of us who know what his many contributions have been - both in the Town of St. Albert and the surrounding district.

My greatest admiration for Mr. Everitt is his consistant habit of doing what he believes to be right and proper even in the face of popular desire or opinion. He is no apple polisher. He doesn't seek favours. He works for what needs to be done and in this way he obtains much more than his share of success.

Mr. Everitt is ready to again go out to work for you. All he needs is your vote.

Loyd Wheating,
Gillam, Manitoba.

NONSENSICAL SQUABBLES:

Dear Mayor Fowler:
(copy to the Gazette)

Not being one inclined to writing poison pen letters I find I must go against my usual behaviour as the result of an officious piece of mail which arrived today.

My first reaction is that the writer of letter form number 098 requires a course in public relations, something that has been the subject of criticism in St. Albert previously.

But more to the point. I would think that before the town engineer issues an ultimatum threatening cut off of garbage removal he would ascertain the following points;

Did the householder in fact receive the letter alluded to date March 1st., and which time certain things had to be done to meet town regulations. A mere form letter addressed to all householders or even included in utility bills does not guarantee this.

*Has he ascertained that the condition suggested to be remedied in fact was not remedied. Has it occurred that this was done, say absence of a can cover, but that perhaps on the very day of the inspection, it was misplaced.

*I have now ascertained, by a telephone call to a very polite secretary in the Town Hall, that I apparently have been missing a lid for one of my garbage cans. This has been rectified, immediately I might add. However, I will not heed the order of the town engineer demanding that I inform HIM that I have rectified the situation which apparently has caused him great consternation.

I do however, welcome his inspection to satisfy himself and I anticipate no interruption in garbage collection from my premises.

I now suppose I should indulge in a slight bit of philosophizing about life in St. Albert, now that my tradition of non-letter-writing has been dashed by this nonsensical incident.

This town is the finest suburban community in Alberta. But let's guard against it falling into the decadences which often hit similar areas suffering growing pains.

I refer to officious civil servantitis. It is not the role of a town employee to be ordering its residents about, implementing arbitrary decisions or enforcing regulations passed by a properly elected body through his own individual interpretation.

Some people may not be aware that this is the way our system of government operates, and so it falls upon council and others to properly instruct them.

I confess I feel a bit foolish about wasting your time and mine on such a matter, but really, I must admit my happy life in St. Albert is sometimes clouded by nonsensical squabbles over stray dogs and cats and garbage lids.

$15,200 FOR CANCER

Dear Sir,

On behalf of the Chairman and executive of the Annual Daffodil Day Committee, I want to extend our sincere thanks and appreciation for the assistance you gave us again this year in bringing public attention to our campaign.

Our campaign was an outstanding success again this year and even exceeded last year's result. We are able to turn over to the Canadian Cancer Society $15,200. which represents an increase of $1,550. over the year before.

On Monday, May 15th at 9:30 a.m. Mrs. J. C. McGaffin Chairman Daffodil Day Committee will present a cheque for $15,200. to Mr. S. A. Friedman President of the Edmonton District Council of the Canadian Cancer Society. In attendance also will be Mr. Van Roach Crusade Chairman and Mr. T. D. Baker President of the Alberta division of the Canadian Cancer Society. You are cordially invited to be present. (Molson's Edmonton House).

Thank you very much for your kindness in helping us promote this project. Your assistance is appreciated.

Yours very truly,
Agnes Robertson (Mrs.)
Publicity Chairman.

STAN WALKER
Continued from Page 4

The present government has made some inroads in the solution of the large problem of recreation with the establishment of the Department of Youth. This government branch has begun to provide services and personnel for the 4-H Clubs and teen groups, but as yet has not outlined an effective over-all program. Their concern is genuine, but their action has not been altogether positive in meeting the problem. A great deal of down-to-earth work must yet be done if the initial labor spent in the establishment of this department is to bear fruit. Qualified personnel must be allocated on a province-wide basis to provide guidance and leadership in planning for community recreation. Community recreation directors must be trained and hired to create dynamic, appealing programs that will attract all segments of all communities, rural and urban Above all, facilities and finances must be provided on an equitable basis with the province bearing its fair share of the burden. The example of the St. Albert Parks and Recreation Department must be made the rule, not the exception.

Again, the government has made some small provision for the accomodation of the automobile-tent-trailer tourist in the way of roadside campgrounds, but these lack the appeal that the addition of more comprehensive services would give them. Really adequate washroom facilities have yet to be instituted. Organized parking and camping facilities are almost non-existent. Above all, very little attempt has been made to publicize the fact that Alberta has some of the finest tourist attractions on the continent. The Conservative Party would increase the budget for tourist advertising and provide improved services for the tourist in order to increase the flow of tourist dollars to the provincial economy.

The St. Albert Constituency has much to offer to its citizens and the tourist in the way of outdoor attractions. The Sturgeon Valley is one of the most beautiful river valleys in the province, even if its potential has to a large extent gone unnoticed by the government. Some mention has been made of damming the Sturgeon to create a lake in the west end of the constituency, thereby providing for a regular, non-seasonal flow of water, but nothing has been done to assure farmers whose land would be flooded that they would receive adequate, just compensation, or to alleviate the present down-stream pollution problem. I suggest that the idea of the development is sound. However, I question whether in developing the plan - which exists on the drawing boards of the Water Resources Branch according to the Edmonton Journal - all the possibilities were not fully explored.

This brings me to my final remarks in these columns. In the space I have used, I have not nearly exhausted the policies of the Conservative Party or revealed all of my own personal viewpoints. I have tried, however, to present what I have written in a positive manner. I would say in conclusion that no government can do everything wrong as some have suggested. Neither can any government do everything right. The present government is no exception to this rule. You must yourselves assess whether the rights balance the wrongs or whether they do not, and vote accordingly. The man who is elected on May 23rd has two obligations. The first and most important is to the citizens of this constituency; the second is to the people of this province. You have several alternatives to choose from when you go to the polls. The Conservative Party is the POSITIVE one.

HELP HANDICAPPED DURING CENTENNIAL

Dear Sir:

In this our Centennial Year when there is so much talk about ending discrimination there is one area of discrimination which is all too often forgotten.

That is the area of the handicapped.

Therefore I propose as a provincial Centennial project that an immediate start be made of an intigrated institution for the treatment and education of the blind, the deaf and other handicapped children.

Stan Walker.

PLEASE SPEAK UP.

Dear Sir:

We don't like to think about mental illness, or about the mentally ill, do we?

That's why we send them away to those large, distant hospitals we all complain about, out of sight and out of mind.

That's why we use such expressions as "He had to be put away," or "We're going to have to put him away."

The 75,000 Canadian men women, and children being treated today for mental illnesses are occupying MORE THAN HALF of all the hospital beds in Canada. Many of them shouldn't be there at all.

Since the dawn of recorded history, the mentally ill have been getting a raw deal. We have a high standard of diagnostic and treatment service for the physically-ill, but not for the mentally ill.

We, the people, are responsible. When governments are made aware that we care, they will upgrade treatment services.

YOU can express your concern, by writing a letter to the Editor, or to your MLA (or candidate) or to your MP, saying that you DO care, and that you want the mentally ill to have "the same excellence of service that is now provided for the physically ill."

A country that can spend $6 million a year on military bands can surely spend more than one million a year for mental illness research. More research and more education could help to keep thousands of people out of a mental hospital.

One home in four will know the tragedy of mental illness. It could be yours. Speak up, now, for the mentally ill.

Yours very truly,
C. Robert Dickey,
Provincial Executive Direct.
The Canadian Mental Health Association.

Postmaster honored at Villeneuve

Mr. C. J. Klak, upon completion of 25 years service as Postmaster of Villeneuve, was presented with a 25 year Badge by J. W. Brown, Field Divisional Supervisional Officer, on behalf of the Postmaster General.

Mr. Klak, in conjunction with his postal duties, has operated a self-service general store in Villeneuve for a like number of years, during which time, apart from military leave of absence in the last war, he has been in personal charge of the postal service in the community.

Mrs. Klak has been active in both the Post Office and Store businesses as well as taking interest in and working for community projects. The Klaks have nine children, four married, Jimmy at N.A.I.T. and Brian, Lorne, Harold and Colleen at home.

The many friends and acquaintances of Mr. Klak will join in offering their congratulations to Mr. Klak on this memorable occasion.

Newcomers

The following persons have been welcomed to St. Albert by a Welcome Wagon Hostess: Mr. and Mrs. Fred Austin, Mr. and Mrs. Benjamin Baich, Mr. and Mrs. Lorne Bailey, Mr. and Mrs. Herbert McNeil and Mr. and Mrs. John Wolf.

INEXCUSABLE ROWDYISM

Dear Sir:

Louie Chalifoux must be complimented on the excellent manner in which he conducted the May 10 political meeting in Morinville. The difficulty of his task was compounded by a boisterous group of teenagers, supposedly supporting the Liberal candidate, and who ironically appeared to be under the direction of a local school principal, Paul Chalifoux.

Their actions, disturbing both the speakers and the audience, was inconsiderate if not inexcusable, particularly during the discourse of the prominent guest speaker, Mr. LaPierre.

Following the meeting some members of this group displayed their better judgement by privately apologizing for their behaviour. Surely the Liberal party has sufficient mature supporters that it need not purchase the services of rowdy youngsters for the price of a Coke.

POWER COMMISSION

Revision plans of the R.E.A. boundaries north east of Gibbons area were examined by the Councillor of the area concerned and approved.

The Minutes of the Committee meeting held March 8th, 1967, were reviewed by the Council and ordered filed.

ROAD REQUEST

A letter and brief from the Secretary Treasurer of the County of Lac Ste Anne No. 28 were read to the Council and each member given a copy of the brief which was in relation for a joint request for having the road from Barrhead, Gunn, Onoway, Namao, Fort Saskatchewan included in the primary road system. It was moved that the Council strongly support the brief pertaining to the inclusion of the above described road in the primary road system and that the Lac Ste. Anne County Council be advised accordingly.

The Annual report 1966 of the Sturgeon Health Unit was presented to the Council and ordered to be filed as information.

The Auditor's 1966 Financial Statement of the Alberta Municipal Financing Corporation was presented to the Council and ordered to be filed as information.

Letter from our Surveyor Mr. Watson, to Mr. Rump, Secretary of the Board of Transport Commissioners of Canada was read to the Council as information, on CNR crossing Coronado subdivision.

INSURANCE

Letter from Mr. Edworthy, manager of the A.A.M.D. was read to the Council in regard to a proposed plan of Group Life and Health Insurance to Municipal Employees. Mr. Edworthy and a representative of Sun Life Assurance Co. are prepared to attend the May meeting if the Council so wish. Council moved that Mr. Edworthy be advised it is not interested in such a plan.

Council moved to invite Mr Edworthy of the A.A.M.D. to examine this M.D.'s existing Insurance coverage on equipment, building and contents and Public Liabilities and he be requested to submit a quotation on similar or better coverage.

It was moved that the Council authorize Mr. Edworthy of the A.A.M.D.'s and Mr. Taylor, of the Alberta Government Archives Department to microfilm the old records, minute books and assessment records of this Municipality which date back to 1896.

A.G.T.

Messrs. E. Attwood and Wilcox, representatives of the A.G.T. Buried Rural Distribution, attended the meeting and explained to the Council the Department's program for the coming year and especially for the area of Legal. The Council thanked these gentlemen for their informative presentation.

SUNNYSIDE HALL

Messrs. Lindsay Rye, Hodgins and Baumen attended the meeting in relation to the cost of moving the Sunnyside Hall from the 6 feet of the hall now located on the Municipal Road. They informed the Council that they had obtained two quotations from Moving Firms and each had estimated the cost of moving said hall and sitting it back on a foundation for the amount of approximately $1,700.00.

It was suggested by members of the Council that since the hall was built in 1915 and is very old, the Community might consider utilizing the Namao Hall and discontinue the use of the Sunnyside Hall for reasons of cost of moving and remodelling. The delegation stated that Sunnyside people were a community of its own and would oppose affiliating with the Namao Community Hall. The Secretary of Sunnyside Community is to send a written proposal to this office and the Municipal Secretary Treasurer is to advise the said Community Association of the Council's decision.

MOVED that the Secretary Treasurer obtain legal advice from the Municipal Solicitor on this Municipality's obligations as to the removal of said Hall from the purchased right-of-way.

EXPROPRIATION

Moved that the Council request Mr. Brownlee to urge the Public Authorities Branch to proceed with the expropriation of said right-of-way (road east of Morinville.)

An Open Letter to the People of Alberta

For the past several years, I have stressed the need for developing a new understanding and unity among constructive, freedom-loving people and parties in Canadian politics. This need exists right here in Alberta, where the task of fully developing our total human and physical resources is so immense and so challenging that we cannot afford to dissipate the energies and contributions of constructive freedom-loving people by needlessly opposing one another.

In Alberta, the efforts of a constructive, free-enterprise Government have invariably met with vicious opposition from negative thinkers, collectivists, and socialists. As long as there is a negative side to be taken, such opposition will always exist. It is, consequently, both unnecessary and unwise for constructive people, capable of positive agreement to disagree merely for the purpose of providing "opposition" one to another.

This letter is a frank and open invitation to all positive-minded citizens in Alberta, who share these views, to become personally acquainted with the operations and policies of your present Government, and to join your fellow citizens in supporting Government (Social Credit) candidates in the forthcoming general election. Your Government desires and welcomes the ideas not only of those who have faithfully supported Social Credit in the past, but also of progressive conservatives and liberals who find themselves in substantial agreement with the basic principles and advanced policies outlined in the Government's recently published White Paper.

On May 23rd it is my earnest hope that there will be a new expression of political unity and purpose in Alberta on the part of all constructive, freedom-loving people. You can make such an expression possible by giving your full and active support to Government (Social Credit) candidates.

Very sincerely yours,

Ernest C. Manning

E. C. Manning,
Premier of Alberta.

Hospital Auxiliary meets

The ladies of the Marguerite d'Youville Hospital Auxiliary held their regular meeting May 9th. At that time a new slate of officers was elected.

The new executive consists of Mrs. J. McDonald, President; Mrs. E. Turner, vice president; Mrs. S. Oddleisfon, secretary; Mrs. A. Bryan, treasurer and Mrs. S. Cherkas, press and publicity.

The club expresses its thanks to Mrs. Stan Dalzell, who is not only leaving the president's chair, but St. Albert as well. The club wishes Mrs. Dalzell the best of luck.

The ladies of the auxiliary held a very successful bingo Saturday, May 13. They are pleased to report that more and more patients are now attending the games.

The next bingo will be June 3rd with the second half in charge.

Notice to Farmers

A grass seeder, which is called Brillion Seeder, is available to any farm ratepayer by applying at this Office through the Department of Agriculture.

The charge for the use of this seeder is set at Five Dollars ($5.00) per day until returned to a location designated by the District Agriculturist or his Office.

Local girl marries Edmonton man

Mr. and Mrs. Leslie Lee Petry

Photo by John's Photo Craft

In a blue and white floral setting a lovely triple-ring ceremony was solemnized on April 26th in St. Albert Evangelical Church, when the Rev. R. O. Olson united in holy matrimony Mr. Leslie Lee S. Petry, son of the late Mr. Leslie Lee Petry and Mrs. Lillian Petry of Edmonton, and Miss Sandra Barry, daughter of Mr. and Mrs. Thomas Barry of St. Albert.

The charming bride chose as her wedding gown the one worn by and made by her mother for the parents wedding. The gown of crepe back satin in fitted line and with slightly flaring skirt and train, featured a pearl-beaded sweetheart neckline and full-length lily-point sleeves. A coronet of lace and seed pearls held in place her finger tip veil. Her only jewellery was a necklace of pearls, a gift of the groom. Centered by a white Bible her bridal flowers were gardenia, stephanotis and ivy.

To the organ strains of Lohengrin's Bridal Chorus, the bride entered on the arm of her father, who gave her in marriage. She was preceded by her three attendants and tiny flower girl, Gail Pamela Tollefson, on the arm of the ring bearer, Todd Kroetsch. The flower girl carried a basket of roses and blue carnations and wore a gown and headpiece similar to those of Mrs. Sylvia Kroetsch, matron of honour. Ring bearer was dressed as the male attendants. The flower girl, ring bearer and matron of honour are cousins of the bride.

Bridesmaids were Miss Pat Hite and Miss Gail Cassidy. Their gowns were pale blue floor-length sleeveless of skinner satin, with empire waistline and worn with full-length gloves, net headpieces and blue satin slippers. Their colonial bouquets were of blue carnations. Matron of honour wore an identical ensemble in deeper blue shade and carried white roses and blue carnations.

White dinner jackets and tuxedos with blue carnation boutoniers were worn by the groom and his three attendants, Mr. Barry Hogan, Mr. Murray Johnson and Mr. Laurie Hueppelsheuser. Ushering the guests to the pews were Mr. Wayne Barry and Mr. Sandy Barry, brothers of the bride.

Following the opening vows the young couple proceeded to the altar for the actual marriage where, unassisted, they pledged their faithfulness one to the other. Rev. Olson then conducted the marriage, sealing the vows in the ring ceremony and prayer. One of the bride's two wedding rings was a gift left to her by her late great Aunt for her wedding.

After signing the register the Bride and Groom, Matron of Honour and best man returned to their positions among the wedding party to hear the singing of 'Together We Will Walk Life's Untried Ways' by Mr. Frank Drader, with violin obligato by the youthful brother of the Bride, Laurence Barry. Mrs. Phil Upright was the organist. Following the benediction 'The Lord Bless Thee and Keep Thee' Mendelsohns Wedding March was played for the recessional. The wedding of Mr. and Mrs. Petry was the first to be solemnized in this church building.

At the Viking Room of the Scandanavian Centre many relatives and friends passed through the reception line and later shared the wedding dinner. For the fourth generation of Barry weddings Mr. H. G. Sorenson was the master of ceremonies. Mr. Barry Hogan proposed a toast to the bride, to which the groom made fitting reply. Well wishers who shared the microphone were Rev. Olson, Don Bish, Al Brunner, J. F. Nacock, Ernest Shedden, Wm. Nesbit and Laurie Hueppelheusser.

The 4-tiered wedding cake baked by the mother of the bride was centered by a vase used in the wedding cake of the brides parents. Following the cake-cutting ceremony music and festivities continued on into the evening.

Mr. and Mrs. Petry flew to Toronto on their wedding trip and will travel by car to Expo, Ottawa and other Eastern points, returning to make their home in Edmonton.

Out of town guests included the bride's great uncle, Mr. Louis Dagscart of Vancouver, Mrs. Richard Sitiris, North Surrey, Mr. and Mrs. Geo. Petry of Calgary, Mr. and Mrs. Murray Johnson, Calgary, Mrs. Eugene Blish of Bentley, Mr. and Mrs. Hueppelsheuser and Mr. and Mrs. Wm. McEwen of Blackfalds.

Catering workshop at Onoway

An invitation is extended to all food caterers in the district and local restaurant managers to attend a food catering workshop at the Onoway Community Hall on Wednesday, May 24th, from 10:30 a.m. till 4:30 p.m.

This food catering workshop is being sponsored by the Royal Purple Lodge at Onoway and the Home Economics Service of the Department of Agriculture. Miss Marlyn Oke District Home Economist will be in charge.

The workshop lectures will be delivered by a Foods and Nutrition Specialist, from the Department of Agriculture and a very interesting program has been planned for the day. Food handling techniques kitchen efficiency, cost analysis, procedure and sanitation when handling quantity meals are among workshop topics.

All catering groups are especially invited to bring any questions they have and to discuss any special problems with the food experts.

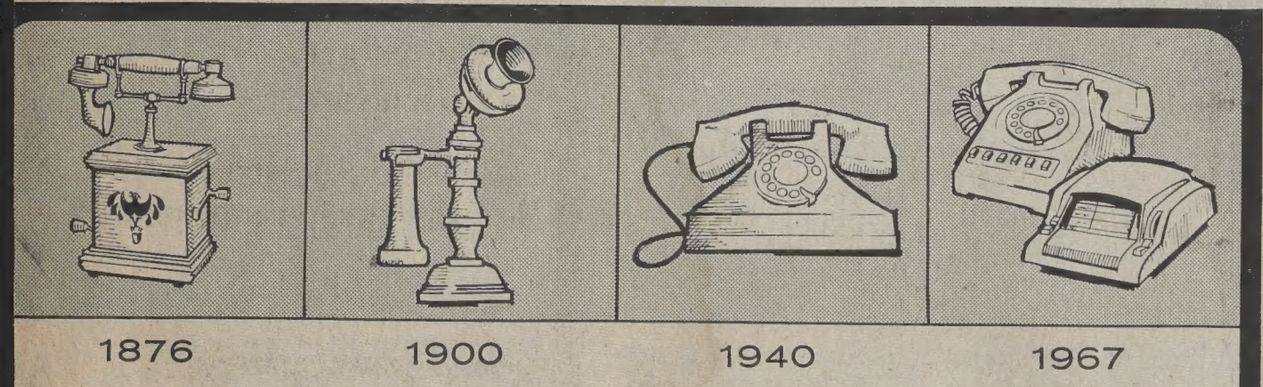
MEMBER OF THE COLOR COUNSEL



As everyone knows, Mr. Bell first amazed the world on March 10, 1876 when he transmitted speech over a primitive telephone. Many more developments came later: the world's first long distance call in September 1877, the first telephone exchange in July 1878 and the first dial telephone in 1924 – all in Canada.

Now, over one half million long distance calls are made every day in Canada, television programs are transmitted around the world through satellite communications, and the written word is sent from nation to nation, in seconds. Telephone communications certainly had a lot to do with Canada's hundred years of progress, don't you think?

Units 1 and 2 of the Coronado U.C.W. met April 25th in the Coronado Church Hall. The seven members of Unit 1 present acted as hostesses for the ten members and three guests of Unit 2.

The devotion was entitled "Life is too Short to be Little".

A vocational school was planned tentatively for July 24 - 29th for all who wish to attend.

A report was given on the group's foster child. Thirteen year-old Lorraine Edney, the daughter of a policeman, is a grade middle three student at Welland Gouldsmith School in Calcutta, India. Her hobbies are needlework and basketball; her chore at home is the family washing.

Unit 1 has a rug and some quilts for sale.

Plans were made for the Mothers' Day Tea held May 13th at the Coronado Church Hall.

The next meeting of Unit 2 will be held June 7th at the home of Pat Briggs.

PUBLISHED AS A PUBLIC SERVICE BY THE NDP ALBERTA

A Vote for Liberal or Conservatives is a Vote for Social Credit

This time we're voting for Dolman - New Democrat

Authorized by the St. Albert N.D.P.

Open letter to all Conservatives

In the past two Provincial Elections the Conservatives have helped to have a Socred elected from this constituency by splitting the vote, as shown by the past two election results:

	1959	1963
Socreds	2163	2540
Liberal	2090	2030
NDP	474	451
Conservative	1190	1332

I realize it is difficult for a Conservative to vote Liberal; however in this election the issue is primarily to obtain a balanced legislature which would give us democratic government. In St. Albert present and past trends show that the Liberal Candidate has the only chance of defeating the Socreds. It is therefore that I am asking you to support Robert Russell, the Liberal Candidate.

Your vote would then be in the same spirit as the choice of constituency by Peter Lougheed. Rather than opposing Bill Dickie, he is running in another Calgary constituency, so as to assure that the least number of Socreds get elected. Personally I do hope that Mr. Lougheed will get elected there.

Why not reconsider and vote for Robert Russell in THIS election.

Yours truly,
John J. Bakker.

Spring wedding at St. Emile's

St. Emile's Church in Legal was the scene of a beautiful spring ceremony when Lorraine Mahe, daughter of Mr. and Mrs. Patrick Mahe of Legal, exchanged vows with Robert Hamblin son of Mr. and Mrs. Hamblin of Innisfail. The double ring ceremony was performed by Rev. Father A. Houde before an altar decorated with baskets of tinted pink carnations, white gladiolus and yellow daisies.

The bride given in marriage by her father, looked radiant in her floor length gown of French crepe, with a lace bodice and sleeves and long cathedral train. A white satin rose held her short veil of French tulle and she carried a cascade of red roses. Her jewellery was one strand of cultured pearls, a gift of the groom

The maid of honor, Miss Rose Marie Mahe, sister of the bride, wore a floor length gown with yellow chiffon over yellow satin complimented by yellow chiffon shoulder panels held in place with a dainty flowered embroidered ribbon and a matching satin rose for her headpiece. She carried a nosegay of tinted yellow carnations. The bridesmaids Jeannette Brisso and Laura Valliant of St. Albert, wore identical gowns, but of a soft pink with matching pink satin rose for their headpiece. Petite Lorraine Boisvert, cousin of the bride was flower girl. Lorraine wore a short white nylon dress with a full skirt and puff sleeves. She carried a basket of flowers with matching flowered headpiece.

The groom's attendant was Lorne Hamblin and the best men were Charles Mahe, brother of the bride and Jim Black from Calgary. The ring bearer was the handsome five year old brother of the bride, Laurier Mahe. Wedding music was played by Sister Corriveau and the solists were Mrs. Hamblin mother of the groom, who sang "O Perfect Love", and Dolores and Rogelle Auger.

The ushers were Norman Ouellet and Hamblin.

For her daughter's wedding Mrs. Mahe chose a light pink Italian knit suit with white accessories complimented by a corsage of white carnations and pink baby roses. For her son's wedding Mrs. Hamblin wore a Teal blue suit in a fine crepe with pink accessories to match. A corsage of white carnations with pink baby roses complimented her ensemble.

A banquet for 225 guests was held at the community centre with Mr. Walter Van de Walle as master of ceremonies. The toast to the bride was proposed by Mr. August Fournier, uncle of the bride.

Out of town guests came from Qu'Appelle, Sask., Ma-Me-O Beach, Calgary, Slave Lake, Innisfail, Morinville and Edmonton.

Following a wedding trip to Banff and Jasper, Mr. and Mrs Hamblin will make their home in Innisfail.

Namao News

by Audrey Gibson.

On Thursday, May 4th the Namao School and Community League held a smorgasbord supper for all hockey players, their families and friends in the Rosslyn Hotel. Over 200 people attended and had a most enjoyable evening.

Mr. Larry Paul president of the League introduced Mr. Harry Allan, who coached the midget team that went to the national competitions.

Mr. Brian Hall, a sports broadcaster for C.J.C.A. commended the people of the Namao Community for giving their youth such a fine chance to round out their character through participation in hockey and sports. "Success as a player was the result of hard work", he said.

Honourable mention was given to three outstanding sportsmen from the district. Mr. John Crozier, Mr. Craig Cameron, (now playing with Pittsburgh), Mr. Warren Hansen, assistant coach of the Edmonton Huskies.

Mr. P. Sutton, who coaches the Mite team along with Mr. H. Booth, introduced the players.

The introduction of the Pee Wee team was made by the coach Mr. Max Yeske and the presentation of the Johnny McDonell trophy was made to the captain Leslie Crozier. Leslie was then given an outstanding player award, having scored 92 goals this past season.

The Bantams were introduced by their coaches Mr. G. Akerman and Mr. Reg Crozier and the Midgets by their coach and manager Mr. Max Yeske and Mr. Hugh Crozier.

Baseball awards were also presented. A trophy went to the Pee Wee baseball team and their pitcher Bill Akerman was presented with an outstanding player award.

Tom Powell, captain of the Juvenile team received a trophy for the team.

The championship trophy was presented to Adolf Yeske captain of the Senior hockey team which placed first in the league. Gene Gauthier was given a high scoring award for being the highest scorer in the league. Wayne Potter received the Robert Jeffery Memorial Trophy for being the most valuable player on the Senior team.

A token of appreciation was given to Mrs. Laura Potter for her faithful service in the clubhouse and thanks were extended to all who helped to referee the games.

The evening was enjoyed by all.

The Namao F.U.A. held a meeting on May 11 at the home of Mr. and Mrs. Bill Gibson. It was decided that the group would send two delegates to Farm Young Peoples' Week at the University of Alberta. A discussion on M.S.I. changes was held.

On May 14 Mrs. Donald Cameron held a trousseau tea in honour of her daughter Jane, bride-elect on Ken Sinclair.

Important Notice to Ratepayers

M.D. OF STURGEON NO. 90, CENTENNIAL PROJECT:

The Agricultural Service Board, in conjunction with the M. D. Council, is to landscape and dedicate a special park, south of the Administration Office, to the Agricultural Pioneers of this Municipality. The names of pioneer families will be inscribed on plaques attached to a Centennial Memorial which will be erected in the Park. This honorary scroll will bear the names of farm families who were established on farms in this Municipality prior to and including the year 1900 and said families or direct descendants who still reside and actively farm in this Municipality as of this year.

We are requesting the co-operation of every ratepayer to submit to this Office, the names of farm families qualifying under the above mentioned conditions and that with the names submitted, sufficient proof is provided to justify the inscription.

The Board, Council and Office Personnel are not to be held responsible for any omissions of farm family names. We are therefore soliciting every ratepayer's co-operation to submit qualifying names with sufficient proof prior to June 30, 1967.

Anticipating receiving your full co-operation, we thank you.

Mothers' Day program delights audience

Last Friday evening the pils of grades 1 - 6 delighted eir audience with a very lorful Mother's Day pro- am at Thibault School audit- ium. It was a bilingual con- rt with comedy, music, nging and recitations. Norman Riopel grade 6, roved himself a capable aster of ceremonies, with mments in both French and English.

Anita and Claudette Chalifoux opened the evening program with a musical duet "Greetings". Then the French classes, grades 1 and 2, sang "My Three Loves" with Mrs. Andy Gervais at the piano.

The English classes of grades 1 and 2 delighted the audience with an excellent play, the very colorful "The Shoemaker and the Elves". Dale Pilon was the Shoemaker and his wife was petite Judy Bokenfohr. The elves were Deborah Caron Yvonne Kieser Michelle Dubord, Carollynn and Donna Fay Borle. Another highlight during the evening was the Physical Education drill by a select group from grades 3, 4 and 5. Piano duets by Carol Woytkiw and Dianne Rousseau and Rita Boissonnault and Michel Ricard were also well received.

The grade 6 French class scored a good response from the audience with their play "Le Compliment de Papa", Michel Ricard and Antonine Campbell played leading roles The Grade 5 French chorus had an old fashioned tea garden background with pupils dressed in old fashioned costumes for their rendition of "Au Fond des Campagnes" with Michel Ricard as soloist. Norman Borle with his recitation "My Mother" had the audience in stitches with his humorous remarks.

The grand finale was the highlight of the evening with the students' performance of the "Centennial Song". It was

300 hear LaPierre in Morinville

Laurier LaPierre former host of This Hour Has Seven Days, speaking in support of Dr. Norman Dolman, N.D.P. candidate for the St. Albert Constituency, in Morinville on May 10 received two standing ovations when he delivered a fiery factual address on the New Democratic Party policies.

Mr. LaPierre was introduced by chairman Louis Chalifoux, who then invited candidates from the other parties to come to the platform. Mr. Robert Russell, Liberal was the only one to respond, coming from the back of the hall at the head of some 36 students carrying banners, cow bells and various noisemakers and using them with enthusiasm. Mr. LaPierre waited for the demonstrators to quiet down before going on with his address.

He evaluated policies against those of other political parties in this 20th century with an appreciative audience of some 300 people. Also present on the platform were Dr. Dolman and Robert Russell, the Liberal candidate.

Mr. LaPierre traced the history of Canadian politics from 1867 when men from four colonies established a new nation in a new world. They had political problems, they had economical problems, they had religious differences; but they did decide to build a great new country, and they did this.

Now in 1967, 100 years later in one of the richest areas of natural resources in the world, Canada, continued Mr. LaPierre, one third of the population make less than $3000 per year.

Referring to the native Indians of Canada, Mr. LaPierre stated that they have been treated with stupidity and indifference.

The speaker accused the politicians of being responsible for the loss of the spirit of nationality in Canada and of not creating energy to live and build together a society that will produce one great nation in Canada.

Referring to those who live on the side lines of politics, Mr. LaPierre called them parasites who live on the good work of others. He stated that the Canadian Nationalism is a farce. That the concepts of Canadian politics are obsolete, dealing with 19th century issues instead of 20th century needs. He referred specifically to the needs of better research programmes in Education, Medicine and Agriculture.

"Society will endure only to the degree that we all are willing to share a concern for all the people," said Mr. LaPierre. "Nobody lives in the past. Nobody builds in the past. Nobody generates in the past. We must deal with the present, and build for the future". He received a standing ovation from the audience at this point.

In his concluding remarks Mr. LaPierre referred to Expo '67 as a live monument to show the world that Canada is alive. He said that if the written press, TV and radio would tell the whole truth to the people, there would be no Separatism in Canada today. He stressed that integrity is the key to good public service. We Canadian's must solve our social and cultural problems by being a great United INation,, Mr. LaPierre said. This will be achieved by electing a Canadian government that will meet the needs of the people in the 20th century, with an eye to the future, the New Democratic Party.

After answering a few questions from the floor, Mr. LaPierre left for another speaking engagement in Edmonton.

Both Dr. Dolman and Mr. Russell addressed the gathering, followed by an open question period which concluded the meeting.

Here they are together -- the four candidates for the St. Albert constituency. Left to right are Dr. Normal Dolman, NDP; Robert Russell, Liberal; Stan Walker, PC and Keith Everitt, the Socred MLA. The photo was taken at the UFA forum in Legal.

Candidates address forum in Legal

A large crowd gathered at the Legal Community Centre on May 11 to hear the representatives from the four political parties contesting the coming provincial election. This meeting was sponsored by the local F.U.A.

Mr. Walter Van De Walle chairman for the evening welcomed the candidates and the people attending.

Mr. Stan Walker Progressive Conservative candidate was the first to address the audience.

Mr. Walker dealt with a few of his fifteen policies beginning with a very important one, Education. Mr. Walker pointed out the education costs in the future will be double and some other means should be found to pay for education. Research should be done to find out if money is profitably used He also discussed the $50 home owners grant, Sunday prohibition and Legislation to allow Sunday Sport.

He went on to say that from April 1965 to 1966 costs to farmers had increased but the products did not increase accordingly.

No export of water should be made until Alberta is very sure that its supply is adequate. Mr. Walker went on to say that different ministers should be appointed for urban and rural areas. Another of his policies was Financial assistance to young couples buying homes. He also stressed that advertizing should be doubled as Tourism can bring a lot of money into the province. His last policy to complete his time limit was the Centralization. The P.C. party believes in de-centralizing industry and that secondary industry should be given the support needed to bring new jobs to rural areas.

The second candidate who outlined his policies was Mr. Robert Russell, representing the Liberal party. Mr. Russell thanked the F.U.A. for holding this political meeting. He explained that he thought of politics as a profession and that politicians should seek advice from the people of their constituency. He stated that he would work on behalf of all the people for lower taxes.

He stated his party believes that people over 65 years of age should be exempt from school taxes. Another of his policy points emphasized keeping our natural resources in the province in order to provide more jobs. He stressed the need for a rapid development of an East-West Highway North of Edmonton and serving the St. Albert Constituency.

In concluding Mr. Russell stated that Mr. Mike Maccagno as leader of the Liberals has done many - many accomplishments.

The third speaker for the evening was M.L.A. Keith Everitt speaking for the Social Credit Party. Mr. Everitt opened his address by stating that Government is not perfect and as long as mankind is governing there will always be room for improvement.

He informed the meeting that Gordon Taylor, minister of highways has announced the road to Legal will be paved this year, that Highway No. 2 would have the finishing topping. In 1968 he stated there will be an increase in long distance tolls. This will put Alberta rates on an even basis with those in Saskatchewan. He also mentioned the new Street Assistance program.

Mr. Everitt told the audience that Legal had received $540 for welfare, $5,575 for Centennial Grants and $175,000 for the School Foundation program. His party also built Senior Citizen's Homes throughout the province and turned them over, free of cost, to the municipalities. The government paid to build, furnish and landscape these homes of which Legal is fortunate to have one.

Dr. Dolman representing the New Democratic Party is an optometrist. He started his address by expressing his views on what a representative should be. To him he should be sympathetic and patient, ready to listen to peoples' problems. Dr. Dolman feels that he is in a position to do just that because he has been practicing as an optometrist for the past 15 years and his job has molded him to be sympathetic and a strong man able to stand criticism.

The N.D.P. thinks of people he said, and the government has to advance to fit the needs of the latter part of the 20th century.

He stated that the oil rich Tar Sands must be developed by a crown corporation owned by the people of Alberta. His party would initiate a planned program to stimulate secondary industries.

The five candidates for the Fete au Village at Legal received their tickets at a banquet held at the Recreation Centre on May 4. Standing left to right: Collette St. Jean, Sylvia Auger, Georgette Pare, Marie Laframboise and Rose Holzer. Sitting is Miss Fete au Village (Judy Montpetit) 1966 queen.

Legal LOCALS

Do you remember sometime ago it was mentioned that one of our Legal retired citizens had bought himself some "stay young and healthy medicine" (an old 3 storey house to demolish)? He has kept busy since because the house has disappeared and now he has a beautiful clean lot. Hope you're not too tired Mr. Montpetit?

Now that spring has finally arrived the Council of the Village of Legal declared the week of May 8 to 13 as clean-up week. A clean-up demonstration was held on 50 Ave., at 7:30 p.m. on the 8.

Circulars were passed by the Fire Chief asking citizens to rid their properties of trash and rubbish which may be a breeding place for fires. The Fire Dept. warned everyone not to attempt to burn grass or any rubbish themselves, they should call the Fire Dept. for their protection.

CUTLINE - LEGAL
At left is Mr. and Mrs. Zenon St. Jean of Legal, who celebrated their 40th wedding anniversary. At right is Mr. and Mrs. Lorenzo St. Jean who celebrated their 21st anniversary the same day.

Celebrate 40th anniversary

The family of Mr. and Mrs. Zenon St. Jean of Legal celebrated recently their parent's 40th wedding anniversary. Also celebrating their anniversaries the same day were Mr. and Mrs. St. Jean's son, Mr. and Mrs. Leonard St. Jean of Assiniboia, Sask., 14th anniversary and Mr. and Mrs. Lorenzo St. Jean (nephew) their 21st.

Mr. Zenon St. Jean was born in Butte, Montana, and Mrs. St. Jean the former Aurelie Perry was born in Centreville, Minn. Mr. and Mrs. St. Jean have resided in the Legal district for the past 56 years.

A reception was held at the community centre followed by a social evening where many friends and relatives gathered to congratulate the happy couple.

Mr. and Mrs. St. Jean have 11 children, eight boys, Raoul, Gerald, Norman, Phillippe, Legal, Donald and Maurice Edmonton, Leonard, Assiniboia, Sask., Bertrand, Seattle, U.S.A. and three daughters, Mrs. Lorraine Hills, Legal, Mrs. Elza Aitchison, Edmonton and Mrs. Leona Martineau St. Albert. Mr. and Mrs. St. Jean are also proud of their 35 grandchildren.

Ladies of St. Anne Meet

The Ladies of St. Anne held their regular monthly meeting on May 1 at the Recreation Centre. The president opened the meeting by reciting a prayer to St. Anne, followed by a group discussion on improvements we could have in our school. The minutes were then read by the secretary.

The president, Mrs. Lucienne Montpetit, gave a brief report on the meeting she attended in St. Paul to organize the congress that will be held in Legal on July 5.

The float for "Fete Au Village" was discussed. It was also agreed upon request of the leader of the Air Cadets in Legal that a large trophy be purchased. Each year the name of the outstanding cadet would be engraved on it and that a small one be given to that outstanding member to keep.

The entertainment committee for the Senior Citizens Home reported that a complete bingo set had been purchased for them. The library committee was pleased to report that over 450 books were loaned during the month.

The president then surprised everyone by calling an election for a new executive that will take office in September. Those elected were: president Mrs. Rita Prefontaine, vice president Mrs. Rachel Cyr, 2nd vice president Mrs. Fernande Van de Walle, secretary Mrs. Dorothy de Champlain.

Mrs. Montpetit after two years as president thanked the members for their cooperation and extended congratulations to the new executive.

On behalf of the Ladies of St. Anne, Mrs. Van de Walle thanked the President and the retiring executive for a job well done.

After a hymn to St. Anne, coffee was served.

Chateau Sturgeon News

Last week Mrs. Lily Parent's son Frank and his wife came to wish her happy birthday. They had brought her a beautifully decorated cake that was shared among Mrs. Parent and her friends.

Another birthday celebration at the home recently for Mr. Alfred Mireault who celebrated his 86th birthday. His children and grandchildren enjoyed a supper brought by the members of the family. That same evening Mr. Bourgeois' son brightened things up with his violin accompanied at the piano by Mrs. A. Pelletier. Everyone spent a very enjoyable evening.

Fete Au Village

The Legal Recreation Board once again is on the move preparing the Fete au Village to take place July 29 and 30. There already have been three organizing meetings and a Committee of ten will be in charge of organizing and supervising the activities.

One activity, the QUEEN contest to decide who will be Melle (Miss) Fete au Village is underway since the Banquet to launch the contest Friday May 4 in the Parc Citadel Recreation Centre Hall. The candidates and their managers, Mr. and Mrs. Armand Massie, the head of the Committee for the event and Fathers Ricard and Houde were present. Presiding over the whole event Mademoiselle Fete au Village 1966, Miss Judy Montpetit with her father and mother, Mr. and Mrs. Robert Montpetit.

The candidates are by alphebetical order: Sylvia Auger, with Mr. & Mrs. Real Auger, (her parents) as managers, Rose Holzer with Mr. & Mrs. Altmiks as managers, Marie Laframboise with her parents, Mr. & Mrs. Laframboise as managers, Georgette Pare having Mr. & Mrs. Joseph Pare, her parents, as managers, and Collette St. Jean managed by Mr. & Mrs. Raoul St. Jean, her father and mother.

Mr. Robert Montpetit was the master of ceremonies. He had last years Mademoiselle Fete au Village, Judy Montpetit, say a few words of encouragement and congratulations to the new candidates.

Fr. A. Ricard also spoke He told the new candidates how much they would gain from this contest; experience in meeting many people, in learning to take rebuff as well as nice reception and thus learning self control and working for a cause even when things are not too pleasant, learning to be dedicated people. Above all remembering that the greatest achievement will have been to play the game fairly and like good sports.

Much success to the candidates. May they be well received by all and encouraged in their work in support of the Recreation in the Community: a must nowadays. Mr. and Mrs Armand Massie solicit your support and generosity.

20 Gain first aid awards

Last Saturday Junior St. John Ambulance awards were presented to 18 Girl Guides and two Boy Scouts from St. Albert. This represented a perfect pass record among those taking the First Aid Class.

Next Thursday, May 18 registration will take place for a senior class in the Parish Hall. The class will be taught by Jimmy Thomson, one of the top first aid instructors in the province.

Pageant and citizenship day

May 17 and 19, 1967 are the o dates which will be remnbered by the students and achers of Albert Lacombe hool. These are the days on hich the school will be playg host to parents and other ecial guests.

On May 17th, a pageant rtaining to the history of nada will be presented. Much research, and sharing ideas has gone on to making Our Canada", a real and xciting adventure.

Each classroom has set up splays of their chosen Canan topic and all classes have lped to suitably decorate the hool halls and gymnasium. Many thanks to the parents ho so kindy gave their time to make costumes and were so co-operative in every way.

May 19th is Canada's Citizenship Day when many of the students and teachers will be presented with certificates as proof of Canadian Citizenship by Judge Orval W. Allen. This will be a ceremony with a number of honored guests present.

The students and teachers are especially proud to be receiving their citizenship papers on the 19th, as Albert Lacombe is the only elementary school in the area to be receiving these certificates.

The efforts put out by all concerned for these two specials days show that Canada has a good investment in the future with these children.

LETTER FROM LAURIER L. LAPIERRE TO THE VOTERS IN THE ST. ALBERT CONSTITUENCY

Ladies and gentlemen,

When I was working with my colleagues, Watson and Leiterman, on the TV Show "This Hour Has Seven Days", I realized that something was missing from life in Canada. And what was missing was the fact that many individuals and communities were doomed to inequality. It seemed to me that there were always some who were better provided for than others. On our programs, we tried during 2 years to show what harm this did. And when the powers-that-be cancelled the program, it occurred to me that I should enter the political field to continue to work towards equality. In order to investigate equality, I had to find a political party which was truly democratic, able to face up to its responsibilities, and determined to say to these people and communities which are in the minority in this country - such as French Canadians - that for once all these individuals and communities would be equal.

Time has not changed my mind on this. In the Province of Quebec, where I live, we lived for a long time under the right wing regime of M. Duplessis. And under that regime, the rich became richer, the poor became poorer, and a whole generation was lost - waiting.

There is not much difference between the governments of M. Duplessis and Mr. Manning. Both are reactionary - lacking a modern and dynamic thought and both are based on the principle that the rich should become richer and the strong stronger while the poor and the weak should stay in their place. You should be as tired of that as we have been. You should be as tired as we have been of a government and of political parties which are unable to assure the full growth of all Canadian communities.

For all these reasons, I ask you to think seriously on your decision and to elect a government capable of assuring this equality and capable of giving you the advantages which you need to be truly happy.

In the election of May 23rd. Vote for the New Democratic Party candidate - Dr. Norman G. Dolman.

Sincerely,

Laurier LaPierre.

LETTRE OUVERTE DE LAURIER L. LAPIERRE AUX ELECTEURS DE SAINT ALBERT CONSTITUENCY

Mesdames et Messieurs,

Lorsque avec mes collègues, Messieurs Watson et Lieterman, je travaillais à l' mission "This Hour Has Seven Days", je me suis apercu assez vite qu'il manquait quelque chose à la vie du Canada. Et ce quelque chose qui manquait, c'etait le fait que plusieurs individus et plusieurs communautés étaient voues a l ' inegalite. Il me semblait qu'ily en avait toujours qui étaient mieux pourvus que les autres. A notre programme, on s'est efforcé pendant deux ans de démontrer tout le mal que cela faisait. Et, lorsque les pouvoirs civils ont cesse notre programme, j'en suis venu à l'idée d'entrer en politique active afin de pouvoir continuer a travailler vers l'égalité. Pour mieux rechercher l'égalite, il me fallait un parti politique, un parti politique qui serait vraiment démocratique, capable de prendre ses responsabilités et determine a dire aux gens et aux communautes qui sont minoritaires dans ce pays - comme les Canadiens francais - qu'une fois pour toutes ces individus et ces communautes pourraient être egaux aux autres.

Le temps ne m'a pas fait changer d'idée. Dans cette province de Quebec, où j'habite, nous avons vécu longtemps sous un regime conservateur dirigé par M. Maurice Duplessis. Et sous ce regime-là, les riches devenaient plus riches, les pauvres plus pauvres et toute une génération se perdait dans l'attente.

Il n'y a pas, vous savez beaucoup de différence entre ce qu'était le gouvernement de M. Duplessis et ce qu'est le gouvernement de M. Manning. Tous les deux sont réactionnaires a l'arrière d'une pensee moderne et dynamique, et tous les deux sont fondés sur le principe que les riches doivent devenir plus riches et les forts plus forts tandis que les pauvres et les plus faibles doivent rester à leur place. Vous devez être aussi fatigués de cela que nous l'avons été. Vous devez être aussi fatigues que nous d'un gouvernement et de partis politiques qui ne sont pas capables d'assurer le plein essor de toutes les communautés canadiennes. Pour toutes ces raisons je vous demande alors de songer serieusement a votre avenir et de vous donner un gouvernement capable d' assurer cette egalite et capable de vous donner les avantages dont vous avez besoin pour être plus heureux.

Votez alors pour le candidat du Nouveau Parti Démocratique, M. Norman G. Dolman, aux prochaines elections du 23 mai de l'Alberta.

Cordialement,

Laurier L. LaPierre.

A LAST APPEAL TO ALL THE VOTERS IN ST. ALBERT AND DISTRICT

Speaking in Morinville

A Letter to the People...

by Norman G. Dolman.

Please think carefully before you vote next Tuesday.

During this campaign I have been fighting hard for something I believe in - the betterment of humanity.

To me this has been proved during this campaign because, much as I respect my fellow candidates, hardly once have I heard them express deep concern in humanity - to talk of people - things and money were more important. I urge those of you who did not vote last time to exercise your franchise; I ask your support to help me bring the New Democracy into the province of Alberta in the next legislature.

You may have wondered why I, a professional man - a small businessman - am running as a New Democrat. I am running because I believe that as long as there is a family which goes hungry, as long as there are farmers who are wondering whether they will still be on the farm next year, or working people who earn as little as $1 per hour, and as long as there are people in this province who are the victims of discrimination in its many forms - there will be a need for men and women of the New Democratic Party.

I personally have nothing to gain by running for the New Democrats; in fact, I have much to lose, but hope that if I have the honour of representing this constituency after May 23rd., I will be able to further the lot of mankind a little.

For taking this stand I have been criticized, and it has been pointed out to me that I might have been better off personally if I had run under another banner; but I could not do this because I believe that only through New Democratic policies can real security and happiness be brought to the ordinary men and women of this province.

During Dr. Norman Dolman's Campaign it became clear that a New Alberta Government under the banner of the New Democratic Party is the
